The luncheon is planned for 12:30 p.m. Tuesday with Mrs. Henry Porter of Circle E as chairman.

Members are asked to bring jelly or jam for the Fruit and Flower Guild, who distribute the gifts to shut-ins.

ALBANY SOROPTIMISTS today predicted one of their greatest years under the creative leadership of the new president, Mrs. Catherine "Kay" Fritz, who successfully plays the three-way role of housewife, civic leader and manager of her Bo-Kay Gift Shop at 1389 Solano Ave. Becoming a school teacher was her primary goal during early school days in Colorado and Wyoming, but later switched to a business career after graduating from Berkeley High School. While her husband, Bob, was serving in the South Pacific during the last war, Mrs. Fritz devoted much time to war bond drives, Red Cross and Community Chest work. In addition to heading Albany Soroptimists, she is secretary-treasurer for the Bay Area Presidents' Council of Soroptimist Clubs, member of the Women's Advisory Council of the East Bay Community Chests and secretary of Albany Solano Avenue Merchants' Association.

## Tots Will Rise Early Tomorrow For 16th Annual MacGregor Day

Some 1600 Albany youngsters today were anticipating an "early to bed—early to rise" Saturday morning for the occasion of the 16th Annual MacGregor Day when they will be given free ice cream and tickets to a special movie at the Albany Theatre.

The children's fete is sponsored each year by C. M. MacGregor, pioneer building contractor on the Saturday nearest his birthday. He will observe his 80th birthday Sunday.

One of the first contractors to realize that Albany would rise from a city of vacant lots to a city of homes, MacGregor today has confirmed his faith in that he has completed over 1500 homes.

But his love for Albany is equaled by his love for small children. In September, 1936, shortly after completing his 600th home, MacGregor staged his first party exclusively for school children. Proving very successful and bringing much enjoyment to the children, he resolved to continue with the party each year.

Arrangements for the traditional day are made each year by Mrs. Beatrice Raymond, local realtor and newly elected president of the Chamber of Commerce. Assisting with traffic and safety precautions are Albany police and firemen and the Junior Traffic Patrol.

The movie bill includes "The Adventures of Robin Hood," starring Errol Flynn and Olivia de Havilland, plus two Disney cartoons.

"Originally there was plenty of seating capacity to hold the children," said Mrs. Raymond, "but the increase in population and school enrollments has made it necessary to hold a second show."

The first show is scheduled at 7:45 a.m. for students of Cornell and Vista Schools, while the 9:45 a.m. repeat show will be for Marin and MacGregor youngsters.

Tickets will be given out at the various schools on Friday afternoon.

## School Playground Schedule Posted

The Codornices, Cornell and Marin School playgrounds will have supervised play activities Monday through Saturday, it was announced today by Bert Griffin, director of recreation for Albany schools.

Directors will be on the playgrounds from 2 to 5:30 p.m. weekdays and from 10 a.m. to 12 noon and 2 to 5:30 p.m. Saturdays.

The Vista and MacGregor primary playgrounds will be open on Saturdays only. The schedule of supervised play will be 10 a.m. to 12 noon and 12:30 to 5:30 p.m.

All school playgrounds will be closed Sundays.

### BEA RAYMOND HEADS C. of C.

Mrs. Beatrice Raymond, local realtor and civic leader, today is serving as the new president of Albany Chamber of Commerce. She was named to fill the unexpired term of Joe Carlevaro, who resigned due to an enforced absence.

At the August meeting, the board of directors made plans to "build up the run-down" organization and to work with Albany firemen on a fire prevention project during October.

Mrs. Raymond is a past president of the organization and has been active in local and metropolitan Oakland Chamber work for several years.

Board members attending the luncheon held at the Roberta were Frank Lacy, vice-president; Gartner Thomas, secretary; Bill Dietz, George Hein, Oliver Nelson and Mrs. Raymond.

### ALBANY SOROPTIMIST HI-LITES

The meeting of the Soroptimist Club of Albany opened Wednesday at the Roberta Restaurant on a serious note. Past President Edith Lennox, in giving the invocation, gave thanks for the American way of life and the freedom to do and say what we wished. Pres. Kay Fritz has asked each of the Past Presidents to give the invocation each meeting for one month.

The tables were decorated with large and small American flags in honor of Constitution Day.

During the singing of the opening song, it was noted that Bernice Boyd, Freeda Bolton and Mike McLain did not sing but remained standing with a far away look in their eyes.

Nell Moore started the fine box moving by asking about a poem published in the Soroscope, Albany Soroptimists' monthly magazine, quote, "M is for Moore, more play less work." She was neatly fired by Bea Raymond, Fine Box Toter this year. Bea has more ideas why people should be fired than Douglas has pills. Glamorous Janet (365) O'Keefe, in Pheasant feathers and furs, was fined for being late and leaving early. Bea Williams, for getting into a show free of charge last Monday night. The council meeting that is. (Do they charge admission now?) Ruby Kampe, Vip of the club, and Pres. Kay, were fined on general principles.

Grace Higgins, City Treasurer, introduced her guest, a beautiful violet-eyed blond, Catherine Elizabeth Graves, a new clerk in the Treasurer's office, and daughter of Catherine Hill.

Kathryn Etingoff drew two names so the luncheon ticket given away each meeting could be presented. Kathryn drew her own name first and then Minnie Lou Eakin's. Pres. Kay reminded the members of the meeting Thursday night, at 8:30, City Hall, to discuss the Library Bonds.

Catherine "Kay" Hill, chairman of the day, was introduced by Pres. Kay, who in turn presented Mrs. Jessie Williams, a resident of Albany for 26 years, and a night school teacher for 18 years, to tell the members about the Constitution of the United States. Mrs. Williams, dressed in a trim silver grey tailored suit, said, "Her introduction sounded as though she really was an old timer." A young old timer we would say. She has a night school class in English and has 22 students registered, some of them displaced persons. She pointed out that we should not criticize our government, and above all must keep America free from "isms." The Constitution was written on

## Cornell PTA Launches Fall Activities

Cornell PTA today was anticipating a very successful year after a series of committee meetings this week under direction of the new president, Mrs. John McShen.

A meeting assembling the program committee, under leadership of Mrs. Conway Smith, first vice-president, was held Monday morning in the office of Principal Milton Gordon at the school.

On Tuesday morning, the finance and budget committee met at the home of the president under direction of the chairman, Mrs. M. McShen.

Plans for the coming membership drive were made by the committee Wednesday at a meeting in the teachers' lunchroom. Mrs. John Irwin, chairman, presided.

The first executive board meeting of all newly elected officers chairman was held Thursday afternoon at the school in the teachers' lunchroom.

Mrs. Lawrence Castell, room mother representative, has announced that room work will begin the last week in September. At this time teachers will explain to parents the new annual promotion system recently adopted by the Board of Education and how it will affect their children.

A dessert luncheon will be held in the new Cornell cafeteria at 1 p.m. on Thursday, October 4. Speaker for the occasion will be Robert Bahl, Albany juvenile officer. Craft work of the Brownies, Girl Scouts and Boy Scouts will also be displayed at that time.

During the business session, officers and delegates attending the State convention in San Diego will report to members.

Tonight's meeting will be the last for the 1951 staff.

 WHEREAS: The way to meet Communist propaganda and to prevent its further spread over the world is to provide these millions with Truth; and

# SOROPTIMIST

Continued from Page 1  
 Sept. 17, 1787, but was not in effect until 1789. We are the only country in the world governed by the people. The Constitution has 22 amendments. The last one adopted limits the President of the U. S. to two terms. The 19th Amendment gave women the right to vote. Mrs. Williams, after answering a number of questions, closed with a humorous story about Mr. Ivanovich applying for his Citizenship papers.  
 We learned that Harold Denham's Great Great Grand-nappy signed the Declaration of Independence.  
 Mary Loos, Ways and Means Chairman, reminded the members that next week's meeting would be held at her home on Thousand Oaks Blvd. See you next week in Mary's Rumpus Room.

Canadian National Railway Photo

**JUST** five hours after this tiny fawn was born on the grounds of  
Jasper Park Lodge, celebrated resort in the heart of the Canadian  
Rockies, a Canadian National Railways photographer made this picture.  
The little deer had yet to take its first steps. Shortly after the picture was  
made the mother returned to the thicket where the fawn was hidden; nosed  
it and the little deer struggled to his feet, and on shaky, pipe-stem legs  
followed the mother into the deep forest where a twin fawn, born a few  
minutes earlier, had been led by the mother. To mark the event, Manager  
Harold J. Gunning of Jasper Park Lodge christened the first-born fawn,  
as "Jasper" and the little boy deer shown above as "Lodge."

## Albany Pool Announces Fall Swim Schedule

The Albany Pool today has proven to be a vital factor in Albany community life as evidenced by the hundreds of students and recreational swimmers who have consistently enjoyed the pool facilities since dedication last September.

Both day and evening students have been responding well to the various programs according to school officials.

High school students are given swimming lessons during regular physical education classes from 8:30 a. m. to 2:50 p. m. Monday through Friday. Instructors are Grace Dinsdale and Craigie Ortlieb.

Youngsters in the 5th, 6th and 7th grades at the three elementary schools are given instruction from 2:50 to 4 p. m. on school days. The groups are arranged so that each student receives approximately two hours of swimming instruction per month.

Recreational swimming is scheduled as follows:

General swimming, 7:30 to 9:30 p. m. Tuesday and Friday and 2 to 4 p. m. Saturday; family swimming, during which juniors and children must be accompanied by an adult, 7:30 to 9:30 p. m. Thursday and 2 to 4 p. m. Sunday.

All recreational swimmers must supply suits and towels and women and girls must wear bathing caps.

Swimming instruction is offered by the Albany Adult Education Center on Monday and Wednesday evenings. Classes are conducted in both elementary and intermediate levels from 7:15 to 8:15 and from 8:15 to 9:15 p. m. A \$2 fee is charged which includes registration and towels.

**Thank You**

I take this opportunity to extend my sincere thanks and appreciation to the many business people, friends and neighbors for their beautiful floral tributes and other kind expressions of sympathy during the recent loss of my wife, Natalie Lakis.

Sincerely,  
GUS LAKIS,

## Area School Officials Convene Here

"Korea and the Significance of the Japanese Peace Treaty," was the subject discussed by Dr. Alonzo Baker last night when 150 school officials and members of the Alameda County School Trustees Association convened at Cornell Auditorium.

Dr. Baker is professor of political science at College of the Pacific and a commentator on a daily newscast in Stockton.

His address was preceded by a dinner in the new school cafeteria. Dr. Vaughn D. Seidel, county superintendent of schools, was presiding officer, and Dr. Paul C. Bryan, superintendent of Albany schools, was in charge of arrangements. Musical portion of the program was provided by Albany students.
